

CVC WORD SORTER

RA1160W

PRODUCT INFORMATION

Exploring vowel sounds with simple C-V-C words. By spinning the activity, children 'plunk' a vowel puck into the vowel pocket, and build the word associated with the image. Mapping, matching, patterning, letter and print knowledge, and phonological awareness. A great game to help young readers develop early literacy skills. Age appropriate for children three to seven years of age.

DIMENSIONS

Size: 25-1/2" (65cm) in diameter x 2-3/8" (6cm) d
